Free and Reduced*

What percentage of students are eligible to participate in the Federal Free and Reduced Meal Program in the district? (The answer should be a number between 1 and 100.)

Character Limit: 3

Daily Average Participation*

What is the percentage of daily average participation in the National School Lunch Program districtwide? (The answer should be a number between 1 and 100.)

Character Limit: 3

Percentage of Fruits and Vegetables*

Considering the total dollars expended for food purchases, what percentage of those purchases are currently directed to fresh, frozen and canned fruits and vegetables? (Do not include DOD fresh value)

Character Limit: 3

Percentage of Canned Fruits and Vegetables*

Considering the total amount fruits and vegetables (fresh, frozen and canned) that are purchased, prepared and served in the district, what percentage are canned?

Character Limit: 3

DOD Fresh Program*

Do you participate in the USDA's DOD Fresh program?

Choices

Yes

No

If yes, what is the total dollar value that you allocated to DOD for the current school year?*

Character Limit: 20

Nutrition Education*

Does the district include nutrition education as part of its curriculum?

Choices

Yes

No

District Engagement*

Is the district engaged in nutrition education or other activities that promote increased fruit and vegetable consumption, such as, the Fresh Fruit and Vegetable Program, contests, promotions, taste testing, farm visits and school gardens?

Choices

Yes

No

Lunch Period Time*

On average how many minutes are scheduled for lunch in your elementary schools? (DO NOT INCLUDE RECESS IN YOUR CALCULATION.)

Character Limit: 3

Food Cost Elementary*

What is the average food cost per meal for your elementary lunch meals? (Do not include labor or paper goods supplies in the cost. If you do not serve elementary meals, place a zero cost in the answer.)

Character Limit: 20

Food Cost Secondary*

What is the average food cost per meal of your secondary lunch meals? (Do not include labor or paper goods supplies in the cost. If you do not serve secondary meals place a zero cost in the answer.)

Character Limit: 20

Freezer and Refrigeration*

Does each site where a salad bar will be implemented have sufficient freezer space for the camchillers that come with the bar and sufficient refrigeration for produce storage?

Choices

Yes, we have adequate refrigeration/freezer space.

No, we will have to obtain more refrigeration/freezer space.

Professional Development*

How many days per year has your Food Service Department budgeted for professional development?

Character Limit: 2

Culinary Skills*

Of available professional development days, how many of these days are devoted to culinary skill development? (This would include training on knife skills, food preparation and handling, production scheduling, standard operating procedures, etc.)

Character Limit: 2

Wellness Policy*

Does the district wellness policy specifically offer guidelines for encouraging fruit and vegetable consumption?

Choices

Yes, it very specifically calls out fruit and vegetable consumption.

No, there is no reference to fruit and vegetable consumption.

Partially, it discusses increasing access to healthy foods.

Fried Food Products*

Does your school district use a deep fat fryer or serve any ready to bake fried food products? (Meaning; food products that have been pre-fried, flash fried, or par-fried during the manufacturing process.)

Choices

Yes

No

Labor Hours*

How many minutes per day are you planning to allocate for salad bar prep, set up and service on average per school? (For example; if there are two employees at most school sites and 1 person will be spending 60 minutes for prep and the 2nd person will spend 15 minutes keeping the bar clean during the meal period then the answer would be 75 minutes.)

Character Limit: 4

Etiquette and Hygiene*

Do you have a plan to instruct students on salad bar etiquette and hygiene?

Choices

Yes, we have already created an action plan to use with students for salad bar implementation.

No, we still need to develop a plan to address salad bar etiquette and hygiene.

Facilities to Wash*

Do students have access to facilities to wash or sanitize their hands before lunch?

Choices

Yes, we have facilities to maintain proper hygiene for the students.

No, we will have to invest and install either handwashing or sanitizing in our cafeterias.

School Stores, Concessions*

Are fruits and vegetables offered in venues outside of the lunchroom (Meaning; in school stores and/or concessions)?

Choices

Yes

No

Occasionally

Rarely

Education to Parents*

Does your school provide education to parents in the form of handouts, district website, district/school newsletters, presentations, etc. that focus on promoting the school lunch program?

Choices

Yes

No
